3 Educational event was conducted on 4th, 11th and 25th November 2022 at Swastha Aama Samuha, Peeple bota Naypati 2, Local Women Group, Bumisthali, Nayapati 2 and Local women,Ghram Nirman Bhandu Mandal Club,Ward 8 respectively, where 30 Swastha Aama Samuha participated and remaining 51 were the local women group of the community.

We aware about various aspects of Breast and Cervical Cancer Screening Services and its importance of early detection. Also emphasized the imperative aspects of screening on healthy person and tried to bring positive change in their health seeking behaviors of women instead of being shy and hesitated. Addressed the few queries they had regarding the Breast and Cervical cancer and gynae problems as well.

We emphasized on the breast diagnostic screening camp that need to done at AMDA clinic for USG and Mammogram services after clinical examination. And importance of regular screening of both services after 3 year interval till the client be 60 years old at nearby health facilities.

### Participants feedback/ suggestions/ opinions:

Participants thanked for such informative session and assured that this had changed their view on health seeking behavior and will come to receive the service on schedule day. Also, unaware about screening which should be done by healthy person and need to do regularly for the optimum health of their own.
