Introduction:

The Welcome Program 2082 was organized to formally welcome the new batch of student PCL Nursing 18th Batch, General Medicine 8th batch, and CMLT 4th batch and physiotherapy 2nd batch students at AMDA Institute of Health Sciences. The program aimed to create a friendly and inclusive environment, introduce students to the institutional culture, and motivate them for academic and co-curricular engagement.

Program Highlights

The program started **sharp at 11:00 AM** with the National Anthem and the inauguration ceremony. The program was inaugurated by Chief Guest Dr. Shikhar Kattel Medical Superintendent AMDA Hospital Damak and former Principal Ms. Tulasa Bhandari. Their presence set a motivating tone for the new students emphasizing academic excellence and holistic development.

A warm heartfelt welcome speech was delivered by 3rd year Nursing student extending their warm greetings to the newcomers. The program was also graced by several Special Guests, including Ms. Sajana Vaidya, Principal AIHS Damak, former principal Ms Pramila Dewan and Ms. Punam Gauro Matron AMDA Hospital Damak. Their presence added dignity to the occasion, and they shared valuable insights and best wishes for the students' future.

The ceremony featured welcome speeches, cultural performances, musical presentations, and experience-sharing sessions by senior students. . Each students were individually honored with the traditional Nepali custom of applying Tika and khada.

The principal of the college, Ms. Sajana Vaidya addressed the gathering with an inspiring speech. Highlighting the opportunities and challenges that lie ahead. She encouraged them to embrace hard work, dedication and ethical conduct in healthcare. Her remarks reaffirmed the institution's commitment to providing quality education and nurturing future healthcare professionals.

The event concluded with a speech by the Chairperson of Mr. Pranish Dhimal who extended best wishes for a bright future to the new students followed by group photographs taken across the scenic spots on the college premises and a welcome feast.

Outcome

- 1st-year students felt welcomed and comfortable in their new academic environment.
- Senior students strengthened their mentoring and leadership roles.
- The program fostered a sense of community and teamwork among students.
- Provided a platform for students to showcase their talents and boost confidence.

Conclusion

The Welcome Program 2082/083 was conducted successfully as planned. The speeches by Principal Ms. Sajana Vaidya and Chief Guest Dr. Shikhar Kattel added inspiration and guidance to the students. The collaborative efforts of the senior students, under the chairmanship of Mr. Pranish Dhimal, ensured a smooth and memorable event. Such initiatives are vital in building a positive academic and social atmosphere for new students
